

General conditions for flights with passengers in historical jet

1. The pilots of the Espace Passion Historical Jet Operations Group (hereinafter referred to as "GO") only fly with members of the "Espace Passion" association (hereinafter referred to as "EP"), who must also be members of the "Jet Club", the support group for Mirage III historical jet flights. Details of the conditions and membership of EP and the Jet Club can be found in the current statutes of EP and the Jet Club, which the undersigned declares to have received and to be familiar with. Exceptions may be made in special cases, for which reasons must be given.
2. The GO pilots will endeavour to carry out the flights with passengers on the agreed date and time. However, this cannot be guaranteed due to current weather conditions and/or technical contingencies. In case of postponement of a flight, no refund is due by EP, respectively by the GO, for payments already made. The flight will be rescheduled and operated at the next possible opportunity, by mutual agreement between the GO and the passenger.
3. The passenger hereby undertakes to inform the Operations Manager and/or the GO of any impediment to the scheduled flight, at least 24 hours before the flight. If the passenger fails to do so, he/she expressly agrees to waive his/her right to the scheduled flight without recourse.
4. 4. The right to a scheduled flight will be extinguished in any case if the passenger does not contact the GO Operations Manager to arrange a new date for a rescheduled flight within one year after the date of the rescheduled flight.
5. The passenger confirms that he/she is at least 18 years old and that he/she is currently in perfect health and therefore fit to make the historical jet flight as planned. He/she has filled in the medical questionnaire provided for this purpose, and certifies that he/she has filled in all the sections carefully, truthfully and accurately. In the event that the passenger's state of health should deteriorate between the date of completion of the questionnaire and the date of the planned flight, the passenger undertakes to immediately inform the GO or the GO's Chief of Operations, in writing, no later than 24 hours before the flight.
6. The passenger confirms that he/she is flying this historical jet flight at his/her own risk. He/she is aware that any flight involves risks and he/she assumes them without reservation. He/she agrees to scrupulously and fully comply with the indications and instructions of the pilot of the GO with which he/she will make the planned flight.
7. The GO will make every effort to take photographs and/or film(s) in connection with each jet flight, but cannot guarantee this or its quality. EP will keep the original materials and remains the sole owner of all rights to these photos and films. A copy of these photos and/or films is nevertheless intended for the passenger as CONFIDENTIAL. The passenger therefore undertakes (i) to make strictly personal use of the photos and/or films provided by EP and (ii) not to copy, transmit or publish any photo or film provided by EP in any form whatsoever (Internet / email and/or any other media whatsoever).

8. Unless special agreement with the pilot, the passenger agrees not to take any camera on board, this for security reasons.
9. Unless otherwise agreed, the passenger agrees to be listed in the Golden Book of Mirage III Flights, which can be viewed on the Musée Clin d'Ailes website.
10. The passenger's attention is expressly drawn to the fact that the flight is a private flight for remuneration. In the event of damage, bodily injury or death, the passenger acknowledges that any claims arising therefrom are limited in accordance with the terms of the ticket to be issued. The passenger acknowledges that the insurance cover for the jet flights is taken out with AXA Winterthur within the following limits:
 - Liability insurance for personal injury and property damage to third parties outside the aircraft as well as for personal injury to passengers (combined single limit): CHF: 37'000'000;
 - Insurance against accidents of the occupants:
 - in case of death: CHF: 400'000;
 - in case of disability: CHF: 400'000.00;
 - unlimited treatment costs for 5 years;

The coverage for transfer flights is given as provided by the respective insurance contracts covering the aircraft used for transfer flights.

By signing this document, the passenger declares that he/she accepts these conditions and is satisfied with them. He/she releases the pilot, Espace Passion, its Operations Group, the Jet Club, the owner of the aircraft (Mirage III and/or transfer aircraft), as well as the bodies, employees and auxiliaries of the latter from any liability whatsoever, and more particularly for any claim exceeding the insurance coverage granted. Similarly, the employer of a pilot cannot be held responsible or sued in the event of a dispute or accident.

11. These general conditions also apply to transfer flights in connection with a Mirage III flight.
12. Swiss law is exclusively applicable.

In the event of a dispute arising from a flight subject to these general conditions, the parties agree that the exclusive place of jurisdiction (ordinary courts, excluding arbitration) shall be Lausanne.

The undersigned passenger hereby declares that he/she has fully read and understood these general terms and conditions and is in full agreement with their content.
